

Eaton UK Pension Plan Trustee Limited

Register of Interests

The Directors of the Eaton UK Pension Plan Trustee Limited keep this register of their personal interests in to ensure transparency in the event that a conflict of interests should arise. This is not a statutory requirement and is not required by legislation.

This register is not an exhaustive list of interests but sets out those the Directors consider it appropriate to declare. For example, the Directors may consider it appropriate to declare an interest such as a formal company appointment, any shareholding in an Eaton group company or other participating employer, any other trustee appointments, membership of the Plan or a formal role within a recognised trade union.
